

Board Meeting 7/18/2005

Present: Ariel, Joe, Corinne, Andy

Joe reported that as of today, 18 people had registered for the Century. Not to panic! Ariel showed the completed posters. Rob will distribute in Lafayette, Janet Bolan and Andy will take care of West Lafayette.

Ariel has contacted Liberty Ins. regarding our club and event insurance. They will provide coverage for about \$364, about half of what the competition offers. Kiwanis of Kokomo (and some running club) has used them. We concurred that we should use Liberty.

T-shirts are finalized. Workers will receive shirts with a red background. Riders will get shirts with a "sand" background. (Lengthy discussion ensues regarding sand, versus tan, versus putty!)

Norm left a very detailed list for the operation of the remote SAGS. Some items that we need to purchase are: trash bags and plastic gloves (for handling food).

Time/place for next meeting: Parthenon, Aug. 15, 7 pm.

(feel free to add/correct).
